# Summary of Long Term Goals

I am planning to earn around 150,000 dollars. I thing it would take me 15 years if I want to save that amount. I won't spend a lot because I'm very good on saving money.

# How do I accomplish my Long-Term goals?

First of all, I will like to graduate from college in order to get a job. After I get a job, I will start saving money in order to own a house in Richmond Virginia and to own a Dodge Charger 2015 Car. After getting all those stuff, I will star saving money to travel to Israel.
